

## March 16, 2020 – Dental Services Partially Suspended Due to COVID-19

CommuniCare Health Centers has made the decision, per the recommendations of the State of California and the California Dental Association, to **suspend all non-essential and non-urgent dental care for the next 14 days**. This could be extended depending on future guidance. Our dental team is currently contacting all patients whose appointment will need to be rescheduled. **Our dental team will continue to be available as needed for emergency care and services**. If you experience a dental emergency or have any questions, please call the location nearest you (see below).
