Consent of Treatment: I authorize CCHC and its medical, nursing and other professional staff members, to provide such health care services and administer such diagnostic and therapeutic procedures and treatments as, in the judgment of CCHC's medical personnel, is deemed necessary or advisable in my care. This includes all routine diagnostic tests and procedures, including diagnostic x-rays, the administration and/or injection of pharmaceutical products and medications, and the withdrawal of blood for laboratory examination. I understand that no guarantees have been made to me as to the results or effectiveness of treatments or examinations performed by CCHC personnel. _____ (initials)

Patient Acknowledgement: I acknowledge receiving notice that under federal law relating to the operation of health centers, the Federal Tort Claims Act (FTCA) provides the exclusive remedy for damage from personal injury, including death, resulting from the performance of medical, surgical, dental, or related functions within the scope of any clinic volunteer or employee health practitioner who the Department of Health and Human Services has deemed to be an employee of the Public Health Service.
